Description :

The smoking tray is made of perforated stainless steel, which provides excellent smoke and heat transfer. If you like to smoke vegetables or delicate seafood, this is a must-have for a smoker. You can even use it to smoke chopped chicken or beef. Try our product by smoking chunks of shrimp with pineapple or other combinations of dishes and impress your family and friends this weekend.

Features:

- **SMOKER TRAY:** The high sides and the perforated surface makes it easier to smoke smaller foods while preventing them from falling out through the rack.
- **MULTIPURPOSE USE:** The bowl can be used to smoke chopped vegetables, chicken, seafood and many other products.
- **SHAPED HANDLES:** Properly curved sides make it easier to move food to the table with the use of oven mitts.
- **MADE OF STAINLESS STEEL:** Brushed stainless steel construction and dense perforation ensure even diffusion of smoke and temperature for quick and efficient smoking.
- **FITTED SIZE:** 48 x 36 x 4,5 cm
